

#ENTREPRENEURSHIP #GIRLBOSS #JOURNALING

**MY SUPER PLAN HAPPINESS JOURNAL**  
**BY VIK ARRIETA**

Do you want to live an extraordinary life? It's time to write your super plan. It doesn't matter if you have no idea where to start or if you are trying to decide between 10 different reasons to undertake: this log is ready to see you succeed so that the world becomes a better place. And it's going to leave everything on the court, just like you.

- Precise questions and practical tools to guide your ideas towards action
- Index and numbered pages to organize your ideas.
- Smooth, striped and dotted sheets so you can sketch, write and project.
- Illustrated phrases that lift your spirit when courage falters.

Winner of the Seal of Good Argentine Design 2019

**About the author & illustrator: Vik Arrieta**

Vik is a journalist with a degree in strategic planification of brands, curatorship and coolhunting.

In 2004 founded with Pablo Galuppo, Monoblock, a content and design agency; and since 2007 an innovative design editorial. In Monoblock she works as creative and editorial director.

She also created, as an illustrator, her own collection called *Happiness* (2015), to communicate a positive message of loving self-validation that seeks to inspire people to keep curious, to create with authenticity and purpose and to undertake with joy.
