

RÓI E RÚTI

ROY AND RUTHY

synopsis

Accompanying the day-to-day lives of Roy and Ruthy, this book discovers the secret to the love that unites this mousy couple. It's a secret as simple and delicate as the illustrations and text by Marcelo Cipis.

suggestions for further exploration

What it means to like someone; love between friends and love between couples; when it's good to have company and when it's good to be alone.
