Stuff Every Cook Should Know Joy Manning

TARGET CONSUMER:

- Home cooks
- Recent graduates
- Gift givers

A practical guide to showing your stuff in the kitchen.

The latest in Quirk's best-selling Stuff series, *Stuff Every Cook Should Know* is an indispensable reference for any kitchen. With entries on how to make a meal plan, common ingredient substitutions, how to throw a dinner party, tips for organizing a small kitchen, and much more, this book has everything a home cook needs to know.

- The kitchen basics you need, from knife cuts to caring for cast iron.
- How to handle three meals a day: packing a lunch, organizing breakfast, balancing your diet, and more.
- Tips for entertaining, from what to cook for a date to dealing with red wine stains.
- The advice isn't recipe specific, so it's good for whatever type of cuisine and difficulty level you cook.
- It's not only good for people who love to cook, it's a great present for anyone with a housewarming, graduation, or other reason to set up a kitchen.
